AURORA CUSTOM REMODELING WINS AWARDS, ANNOUNCES EXECUTIVE WILL LEAD NEFBA REMODELER'S COUNCIL

PONTE VEDRA BEACH, Fla. (Dec. 10, 2009) – Aurora Custom Remodeling was recently recognized with two top awards at the 2009 First Coast Remodelers Awards Holiday Gala hosted by the Northeast Florida Builders Association (NEFBA) Remodeler's Council. The Ponte Vedra-based company won first place for the Residential Bathroom Renovations over $40,000 and earned runner-up for the Residential Additions or Renovations over $500,000. The First Coast Remodelers Awards is a competition that recognizes remodelers, builders, architects, kitchen and bath specialists, and trade partners for outstanding project design, craftsmanship and construction.

"It is an honor to be recognized for our remodeling work among a group of our peers," said Michael Lenahen, president of Aurora Custom Remodeling. "We strive to make every home the ideal living space for our clients and the result of that dedication can be seen by these awards and the satisfaction of our customers."

To top off the company's award-winning year, it also announced that its vice president, Jeff Brecko, has been named the 2010 chair of the NEFBA Remodeler's Council. In this role, Brecko will lead the NEFBA Remodeler's Council and its seminars, events and monthly council board meetings.

"I am honored to be the 2010 council chair and look forward to serving the organization throughout the coming year," Brecko said. "I urge any and all remodelers on the First Coast to become part of the NEFBA Remodelers Council and join us as we expand our businesses and knowledge in 2010."

In early 2009, Brecko was the first recipient of NEFBA's Remodelers Leadership Grant. The grant allowed Brecko to represent NEFBA Remodelers at the National Spring Board meeting in Washington, D.C., where he met with the leaders of National Association of Home Builders Remodelers Council.
