

AURORA CUSTOM REMODELING'S JEFF BRECKO FIRST RECIPIENT OF NEFBA REMODELERS LEADERSHIP GRANT

PONTE VEDRA BEACH, Florida – Jeff Brecko, vice president of Aurora Custom Remodeling, is the first recipient of the Northeast Florida Builders Association (NEFBA) Remodelers Leadership Grant. The grant allows Brecko to represent NEFBA Remodelers at the National Spring Board meeting in Washington, D.C., where he will meet with the leaders of National Association of Home Builders Remodelers Council.

“I am honored to be the first person in our organization to receive the grant and will represent our council well among our national peers,” Brecko said. “This experience will prepare me to lead the NEFBA Remodelers Council in 2010 as council chair and take our organization to the next level.”

Aurora Custom Remodeling was founded in 2001 by Michael Lenahen to offer personalized home improvement to suit the lifestyle of each client it serves. Working one-on-one with each customer, Lenahen and his team complete a thorough examination of the home and assessment of the client's needs before redesigning and creating a unique new space.
